

HYTHE IMPERIAL

HOTEL | SPA | GOLF

*Congratulations  
on your engagement*

We are delighted that you are considering our venue for your upcoming wedding.

We have so much to offer here at the award-winning Hythe Imperial Hotel. We are sited in a spectacular location with stunning sea views, making us the perfect venue for your special day.

We offer several options to tailor make your special day. Why not get married in our spectacular outdoor Gazebo nestled in the heart of our beautiful landscaped formal gardens or say 'I do' in one of our many indoor ceremony rooms that make for the perfect intimate setting.

Our Imperial Ballroom is ideal for your wedding breakfast, a breath-taking space full of grandeur and yet still being a perfect blank canvas for your décor ideas to come to life.

The uninterrupted view of the sea from our sundecks, outside terrace and your own private bar, this is the perfect space for your wedding reception.

To give you a fuller appreciation of what the hotel has to offer we would be delighted to arrange an informal show round of our iconic venue. We can then guide you through all the options, bedroom suites and spa facilities without any obligation.

*We look forward to meeting you*

## **How much of a deposit is required?**

We ask for £2000 on account, non-refundable amount to secure your wedding date. £1,000 is to be paid upon signing your contract with the remainder to be paid over 12 weeks. Following this we ask for 30% to be paid 42 weeks prior to your wedding day, 50% the remaining balance to be paid 6 months prior and the final balance no later than 7 weeks prior to the wedding day, following your final details 8 weeks prior. Deposits can be made at any time if you would like to reduce your final balance.

## **When can I set up for the wedding?**

We know how exciting it is to start setting up your wedding. However, the venue is only secured from the time stated on your contract.

## **How do I book my registrar?**

We make your initial booking with the registrar. You will then receive an information pack via the post. There is a small booking fee to pay, this will confirm your date then any additional costs, final payment and details will be organised solely between yourselves and the registrar.

## **Can I use external suppliers?**

We have some amazing, recommended suppliers however as a venue we do not object to you using external supplier for your wedding day. We would require a copy of their public liability insurance for any Band or Disco and PAT testing certificate. Please note the Hotel does not take any responsibility for the loss or damage of any items brought into the Hotel. Your suppliers can gain access on the day from a time agreed with the event coordinator.

## **Can I have fireworks?**

We are not licenced to let off fireworks on site, however if you arrange directly with a company to let fireworks off on the beach you are more than welcome to do so. Please do let us know so we can inform any Hotel guests at the time. A Risk Assessment from your chosen company will be required and we advise on taking out additional insurance in case of any accidents. Please note that no fireworks or sparklers are permitted on any part of the hotel premises, used or unused.

## **Is there a corkage fee?**

No wines, spirits, food or beverage may be brought into the Hotel or grounds by or on behalf of yourselves. Any guests consuming their own wine and spirits a charge will be made by the Hotel, please speak to your Wedding Coordinator for more details.

## **Can I use confetti and petals?**

Confetti or Petals are not allowed on our grounds or in our buildings.

## **Are dogs allowed in the hotel or at the wedding?**

We only allow assistance dogs at the hotel.

## **When can we bring in our own decorations and items?**

We ask that items are delivered to the hotel the day prior to your wedding; this must be discussed with your Wedding Coordinator. Depending on the amount of table decorations a fee may occur, if you require the hotel to decorate the Ballroom, please see brochure for details.

## **Can I have candles as decorations?**

We do allow candles, but the containers should be 3cm higher than the naked flame and the stand should be sturdy so that it will not tip if the table is knocked. Many of our regular florists use flameless electric candles which are very realistic and safer.

## **Is the hotel accessible friendly?**

We do have 3 lifts in the hotel, including direct access to the Ballroom from the seafront entrance. We have clearly marked accessible parking, bedrooms and toilets.
